Land a Plots in Santa Maria del Cami

0	**0**	**N/A**	**N/A**	**N/A**

In a sought-after location between Santa Maria del CamÃ- and Consell, this spacious finca plot extends over approximately 15,164 m². The location combines the rural character of Mallorca's interior with excellent connections to Palma, the surrounding villages and the renowned wine-growing region around Binissalem. The property offers an attractive setting for the development of an individual residential project. A project can be designed according to the personal wishes and requirements of the future owner, offering the opportunity to create a truly individual home in Mallorca. Thanks to its convenient location, Santa Maria, Consell and Palma are all easily accessible. The finca is therefore equally suited as a permanent residence or...(Ask for
