Land a Plots in Santa Maria del Cami

4	4	597m²	32,570m²	N/A

Situated in a highly desirable location between Santa Maria and Consell, this generous plot of approx. 32,570 m² offers an attractive opportunity for anyone looking to fulfill their dream of owning a country house in Mallorca. At the same time, excellent transport links ensure that Palma and other parts of the island are quickly and easily accessibleâ€”ideal for those who appreciate country living without sacrificing proximity to the city. There is a project for a spacious single-family home with a total constructed area of approx. 597 m² (including approx. 370. 90 m² on the ground floor and approx. 226. 10 m² in the basement). The planned house includes four bedrooms,...(Ask for More Details!)
