Town House in Santa Eugenia €1,200,000

7	6	745m²	2,700m²	N/A

This country property is located in the heart of the idyllic village of Santa Eugenia in the centre of Mallorca. It consists of 3 houses connected by a large interior patio. The structure and the roofs are already built; the facilities, flooring and finishes still need to be completed. The property is ideal as a generous family home, as several rental properties and even as a small hotel with 10 rooms in the centre of the island. This property also has a large garden of approximately 2,000 m² and enjoys lovely countryside views. The completion of the project will be the decision of the new owner.
