Apartment in Ses Salines

2	2	123m²	4,124m²	N/A

Set within the former railway station of Son Coves, near the sought-after village of Ses Salines, this distinctive ground-floor apartment combines authentic Mallorcan character with comfortable modern living. Properties with such a unique history are rarely found on the island. The approximately 123 m² residence offers a bright living and dining area with fireplace, a separate kitchen, two bedrooms and two bathrooms, both en suite. Original architectural details and historic tiled flooring give the property its unique character. Two private terraces provide pleasant outdoor spaces, with one offering direct access to the kitchen. The apartment also benefits from two separate entrances and a practical workspace suitable for a home office....(Ask for More Details!)
