High-quality energy-efficient homes in Alcalalí- with stunning valley views. Discover a unique residential opportunity in the heart of the Jalon Valley: Residencial VALL DE POP, an exclusive project consisting of 35 plots with modern, detached single-family homes. Located on an elevated site in Alcalalí-, these villas offer breathtaking panoramic views of the valley. These villas are distinguished by their unique construction method using an advanced 3D micro-concrete panel system, which achieves an exceptionally high level of thermal insulation, airtightness and structural strength – all within the usual price range. Thanks to multiple insulation panels without thermal bridges, airtight connections and renewable energy generation via aerothermal energy, these
