Villa in Javea

5	5	380m²	1,732m²	✔

This newly built 2025 residence by renowned designer Jessica Bataille and RaÃºl Garcia Ca Malva is set on a 1,732 m² Plot the home blends Ibiza-inspired elegance with contemporary form, carved into the terrain to embrace raw stone, shifting mountain light, and a deep connection to nature. Located on the privileged slopes of the Montgó Nature Park, one of the most exclusive and protected areas in the region, the residence stands within an environment where very few homes can be built due to strict natural preservation. Living here means enjoying extraordinary privacy, tranquillity, and an unmatched connection to the landscape something exceptionally rare and highly sought after. With 380...(Ask for More Details!)
