Land a Plots in Sa Pobla

0	0	184m²	23,244m²	N/A

Plot with views of the Tramuntana mountains and potential to build a home with a pool near Sa Pobla. Situated near Sa Pobla, this 23,244 m² plot offers an attractive rural setting with sweeping views of the Tramuntana mountains. Its location and generous size provide an opportunity to enjoy the landscape and rural life in Mallorca. The plot benefits from a mains electricity connection and its own well, as well as agricultural buildings with a total built area of 184 m². According to the planning information provided and current regulations, there is potential to build a home of approximately 400 m² with a swimming pool, subject to obtaining the relevant...(Ask for More Details!)
