1,320m<sup>2</sup>

Located in Santa Ponsa in the south-west of Mallorca, this villa offers quality and design distributed over 3 levels and will be finished to the highest qualities at the end of 2023. It offers 4-5 bedrooms and 3 private swimming pools on each level. The rooftop terrace also features a hot tub to enjoy the colder winter days. All amenities are nearby and the thriving city of Palma is only a 15 min drive away. This deluxe villa also offers a gym, steam room, sauna, a private lift, home automation and an open kitchen design among many more features making this villa the perfect hideaway.
