Land a Plots in Muro

0	0	N/A	15,588m²	N/A

We are pleased to present this beautiful building plot of approximately 15,588 m2, ideally situated close to the beach of Playa de Muro and the village of Muro, which offers all local facilities. The plot is ready to start construction on a very attractive project for a country house with an approximate constructed area of 300 m2, featuring four bedrooms, a pool, and multiple terraces. There is also the option to purchase the neighboring plot (Ref. 82811), which already has an existing project with the license submitted to the town hall and expected soon. Purchasing both plots offers the flexibility to construct a significantly larger, custom-designed home. Please do not...(Ask for More Details!)
