An extraordinary new-build villa project boasting breathtaking sea views over Palma Bay and an incredible 180-degree panoramic outlook. Designed to combine contemporary architecture, privacy and luxurious Mediterranean living, this exceptional property offers generous living spaces, beautifully appointed bedroom suites and outstanding leisure facilities. The villa benefits from two independent access points: one from the lower street level and another via a private access road at the upper level, providing direct access to the property and its spacious four-car garage. This distinctive configuration offers exceptional convenience, privacy and flexibility. The property features an impressive principal bedroom suite, conceived as a private retreat with its own secluded garden, a small private swimming... (Ask for More Details!)
