1,198m²

26,618m²

This natural stone Finca sits on a plot of 26. 618 m2 at 8 minutes walking distance from the city centre. It also has a holiday rental licence and a swimming pool of 82 m2 by salt hydrolysis. Throughout the Finca, there are different covered and uncovered relaxation areas, as well as a playground and 1. 800 m2 of lawn. It was completely refurbished in the year 2000 and among other qualities, it has air conditioning h/c and central heating by gasoil radiators. The main house has a constructed area of 517 m2 on two floors connected by a modern staircase of metal and wood. The terraces occupy 520 m2...(Ask for More Details!)
