Land a Plots in Santanyi

0	**0**	**N/A**	**28,706m²**	**N/A**

A group of three adjoining rural plots located in the Son Salom area, within the municipality of SantanyÃ-, offering a combined surface area of 28,706 m². The plots are owned by two independent owners and are offered exclusively as a single purchase, at a total asking price of â‚¬495,000. The combination of the different land classifications may offer potential for residential development, subject in all cases to the applicable planning regulations and the relevant confirmation and approval by SantanyÃ- Town Hall. The plots are being sold without prior legal consolidation. Should the two owners not reach an agreement to consolidate the properties before completion, the purchase will be formalised through...(Ask for More Details!)
