Land a Plots in Genova

4	3	327m²	231m²	✔

An exceptional opportunity to acquire a residential building plot in a highly sought-after location, offering sweeping, uninterrupted views across Bellver Park, Bellver Castle, and the Mediterranean Sea. The property is sold as a plot complete with an authorized executive project and a fully issued building license. With the excavation work already completed, this asset eliminates typical planning delays, administrative hurdles, and initial groundworkâ€”allowing you to begin construction immediately on a thoughtfully designed residence. Situated in a peaceful, prestigious residential setting, the plot enjoys open, elevated vistas overlooking the lush pine canopy of the park, the historic castle, and the coastline. It combines tranquility and beauty with effortless access to local (Ask for More Details!)
