Substantial Multi-Generational Villa with Pool & Three Independent Living Areas â€“ OrbaLocated in the beautiful Orba Valley, this substantial villa was originally designed as a family home, allowing three generations to live independently while remaining connected under one roof. Offering exceptional flexibility, generous living space and multiple independent accommodation areas, this is a property perfectly suited to modern family living. Set on a 1,200 m² plot, originally formed from two separate plots, the property offers approximately 404 m² of constructed space, including the main residence, garage/workshop and pool house. The principal residence occupies the upper floor and is accessed via a covered terrace and large parking area. This level comprises...(Ask for More Details!)
