Everything you could need in a property this property can offer. Property very well located close to the city of Palma, but at the same time with enough tranquility and privacy to enjoy relaxing your time in the house. The house has been designed to make the most of the spaces, the natural light, the exterior spaces with garden, swimming pool and several terraces. A very warm and comfortable atmosphere has been created, but with the best building materials in terms of insulation and air conditioning. The property will start construction in September 2023, do not hesitate to contact the First Mallorca team to know the project and...(Ask for More Details!)
