An unbeatable reform makes this apartment a unique and exclusive property. A detailed and practical client can find his ideal place here. Very quiet community in one of the most demanded areas of Palma, within reach of all amenities. At the entrance is the spacious living room with kitchen with access to the huge terrace. The night area is made up of a large suite with bathroom and dressing room and another room. Two parking spaces complete the property. Hot and cold air conditioning throughout the house. Reform made with high quality materials.
