Villa in Portals Nous

6	6	846m²	1,328m²	✔

First Mallorca is pleased to offer the latest project from one of the best known builders in MallorcaOn a large plot of approximately 1330m2 a spectacular villa will be created, with a built area of â€‹â€‹846m2, of which 306m2 for the basement, while the remaining 540m2 will be used for the living area. On the ground floor we will find a large living room with a modern and complete luxury kitchen, a second kitchen, guest bathroom and a bedroom with en suite bathroom. The upper floor will have five bedrooms, all with en suite bathrooms and all with breathtaking sea views. Outside we will find the swimming pool and the...(Ask for More Details!)
