159m<sup>2</sup>

N/A

This urban solar can be found on the outskirts of the idyllic village of Santa Margalida, in the North East of Mallorca. The property consists of 159m<sup>2</sup> and disposes of a project to build a house of approximately 182m<sup>2</sup> with a ground floor plus two storeys on top according to regulations. Surrounded by nature Santa Margalida lies close to authentic villages and provides a desirable opportunity to live only a few minutes drive away from Can Picafort and the beautiful beach of Playa de Muro, where you can enjoy a picturesque scenery and a great selection of restaurants and cafes. Do not hesitate to contact our FIRST MALLORCA team for...(Ask for More Details!)
