Walking distance to the promenade, the Santa Catalina market, and next to the Tennis Club. The flat has been completely refurbished to the highest standard, taking care of all the details, using high quality materials. It has a spacious living area with open plan fully equipped kitchen, with access to different terraces. It is distributed in four double bedrooms and four complete bathrooms, three of them en suite, top of the range equipped kitchen. The architecture and design, as well as the equipment has been very carefully designed by the architecture and interior design office that has worked on the project, creating a warm and comfortable home, with the highest...(Ask for More Details!)
