Premium New-Build Apartments in La Cala de Finestrat – Quality Summary This new residential development offers modern two-bedroom, one-bathroom apartments with an open-plan kitchen. The building includes a lift, and each home comes fully furnished and ready to move into. The project is built with PORCELANOSA PRESTIGE materials and offers a level of quality rarely seen in the Costa Blanca. All homes include premium features that are usually optional in other developments, ensuring superior comfort, efficiency and design. The building features a PORCELANOSA ventilated facade, high-performance insulation, Reynaers CS 77 aluminium carpentry and triple glazing. Homes are equipped with aerothermal hot water, ducted air conditioning with independent thermostats in every room. (Ask for More Details)
