Premises located in a busy commercial complex, as it is only a few minutes away from a total of five hotels and several tourist flats. The dimensions of the premises are 57 square metres, plus 20 metres of covered outdoor terrace, which directly overlooks the front of a stage where events are held to liven up the ambience. At the back of the premises, there is a small storage area, as well as a toilet. If you are looking for entrepreneurship, this could be the business for you.
