235m²

1,039m²

This beautifully bright home has been renovated to the highest standard. It offers the perfect blend of contemporary living with a classic Mediterranean style. Set in a peaceful location, just moments away from the harbour of Port Andratx, benefiting from the perfect entertaining space, privacy and lush and serene pool area. Designed using the finest materials, it exudes an air of understated elegance and sophistication. The entertaining space flows seamlessly from indoor onto the terraces, yet provides plenty of private areas for your family and guests. The custom-made kitchen with top appliances, as well as all the modern conveniences such as hot and cold air-conditioning system, partial underfloor heating, Sonos...(Ask for More Details!)
