Key handover is scheduled for September 2027. Discover harmony, light and wellbeing in an exclusive residential project of 24 independent family villas, located in one of the most privileged elevated areas of La Nucia, on the Costa Blanca. Set within a natural hillside environment, each villa enjoys open panoramic views of the Mediterranean Sea, overlooking either the bay of Altea or the iconic skyline of Benidorm. Designed for those seeking a relaxed yet sophisticated family lifestyle, these villas combine contemporary architecture, comfort and a strong connection with nature. The project offers homes with 3, 4 or 5 bedrooms, featuring generous layouts filled with natural light and finished with high-quality Mediterranean...(Ask for More Details!)
