Key handover is scheduled for September 2027. Discover harmony, light, and wellbeing in an exclusive residential project of 24 independent family villas, located in one of the most privileged areas of La Nucia, on the Costa Blanca. Set in an elevated natural environment, each villa enjoys open panoramic views towards the Mediterranean Sea, overlooking either the bay of Altea or the iconic skyline of Benidorm. Designed for those seeking a relaxed family lifestyle, these villas combine comfort, contemporary design, and a strong connection with nature. Homes with 3, 4, or 5 bedrooms offer generous interiors filled with natural light, featuring modern architecture and high-quality Mediterranean finishes. ... (Ask for More Details!)
