Villa in Costa de los Pinos

4	5	693m²	1,952m²	✔

Costa de los Pinos is famous for its architecture and is primarily a residential area of luxury homes; in fact it counts among its residents a multitude of well-known artists and business magnates who have chosen to make this coast their summer residence. This impressive villa of modern architecture for its time, with a structure of very defined straight lines, is an opportunity to be surrounded by a very select elite. Almost 700 square meters built and distributed over 4 levels on a plot of approximately 1900m2 surrounded by a huge and well kept garden in second line to the sea. The entrance with a spacious hall leads to the...(Ask for More Details!)
