210m²

400m²

Completion - end of 2026 Welcome to this exceptional new construction villa in Alfaz del Pi, Alicante a modern architectural masterpiece offering 270 m² of refined living space with beautiful views of the Mediterranean Sea. Ideally positioned between Altea and El Albir, and overlooking the impressive Sierra de Bernia, this property perfectly blends coastal elegance with mountain tranquility. Priced at â,-795,000, the villa combines contemporary design, functionality, and generous interior volumes. The architectural concept is based on two large square floor plans, creating bright open spaces with excellent flow and a strong sense of amplitude throughout. Each villa sits on a private landscaped plot and includes an individual swimming pool...(Ask for More Details!)
