212m²

150m²

Completion in 2026 Set within an exclusive new development in Finestrat, this semi-detached townhouse combines modern design with spectacular views of the Mediterranean and the Benidorm skyline. With a plot size of 150 m², a total built area of 212 m², and a useful interior space of 126 m², the home is thoughtfully distributed over two floors and is scheduled for completion in 2026. The property offers 3+1 bedrooms and 3 bathrooms, making it a comfortable and stylish living environment for families or as a holiday retreat. The bright open-plan living area flows seamlessly into the contemporary kitchen and extends out onto the terrace, where you can enjoy the private...(Ask for More Details!)
