5,257m<sup>2</sup>

This charming country house is situated in the peaceful and idyllic surroundings of Establiments and is accessed via a palm-fringed driveway. The country house extends over two floors and a cellar. The ground floor has an attractive living room with access to the front and rear terraces, a spacious kitchen with utility room, a pantry and a bathroom. An elegant staircase leads to the upper floor, which is divided into three bedrooms and a bathroom. The spacious basement houses a machine room and a spacious area, ideal for a workshop or hobby room/gym. The entire house is equipped with oil central heating, double-glazed windows including mosquito nets and air conditioning....(Ask for More Details!)
