Villa in Javea

4

3

210m²

1,000m²

Estimated completion: March 2027 Welcome to an exceptional modern villa located in the prestigious area of J  vea, where contemporary architecture meets Mediterranean tranquillity. Surrounded by lush greenery, this striking property stands out for its sleek lines, elegant organic curves and expansive floor-to-ceiling glass that opens onto a beautiful private swimming pool. The villa offers a generous open-plan layout designed to maximise natural light and space, seamlessly connecting refined interior living areas with expansive outdoor terraces, ideal for both relaxation and entertaining. Every element has been thoughtfully designed to create a harmonious balance between comfort, design and functionality. The upper level features tranquil bedrooms with direct access to sun-drenched terraces. (Ask for More Details)
