264m²

706m²

Construction is currently underway, with completion scheduled for December 2026. This elegant new-build villa in Dénia is designed to offer a perfect balance of comfort, style and functionality. Reflecting a modern Mediterranean lifestyle, the home features clean architectural lines, high-quality materials and thoughtfully designed living spaces. The property offers a built area of 264 m² on a private plot of 705.65 m², providing generous indoor and outdoor living spaces. The villa includes three bedrooms and three bathrooms, creating a comfortable and well-balanced layout suitable for both permanent living and holiday use. The villa is carefully arranged to maximise both space and natural light. Generous open-plan living...(Ask for More Details!)
