Exclusive Luxury Frontline Property with Uninterrupted Sea Views in Benissa Located in one of the most exclusive areas of Benissa, this frontline semi-detached property offers a rare opportunity to experience true Mediterranean living with direct access to the sea. The property offers approximately 290 m² built, distributed over two levels, combining privacy, comfort, and uninterrupted sea views. Its layout has been designed to maximize natural light and create a seamless connection between indoor and outdoor living. It features three spacious bedrooms and three bathrooms, providing both comfort and functionality for everyday living or hosting guests. The bright living areas open directly onto a generous terrace, where panoramic sea views and...(Ask for More Details)
