Historic Townhouse in Soller Center. In plain Soller center on one of Sollers main streets this manor house stands out for its original and historical features. High decorated ceilings, exposed beams, original carved stained glass windows, some dating back to 1899, hydraulic tile floors, . . . are some of the most characteristic elements of this incredible property. It is distributed over 4 floors and offers 2 entrance halls, living room, dining room and kitchen with access to the rear patio, as well as 3 bedrooms and a bathroom on the first floor and another 3 bedrooms on the second floor, there is also a large basement with a laundry room....(Ask for More Details!)
