Completion date: Beginning 2027 The top floor apartments at Finestrat Paradise Resort represent the most exclusive option within the development, offering three-bedroom layouts, beautiful sea views and a private rooftop solarium designed to fully enjoy the Mediterranean lifestyle. These homes are ideal for those seeking privacy, open views and generous outdoor space combined with modern comfort. The apartments are built to the highest construction standards and comply with the latest Technical Building Code, achieving Energy Certification A. This ensures excellent thermal insulation, reduced energy consumption and maximum comfort throughout the year. A key highlight of these properties is the private solarium, finished with exterior porcelain flooring and equipped. (Ask for More Details)
