125m²

567m²

Completion date: 18 months after signed contract Finestrat Paradise Resort presents an exclusive collection of 14 south-facing luxury villas located in the prestigious area of Finestrat, just minutes from Benidorm, its beaches and all essential amenities. Designed for those seeking privacy, elegance and modern Mediterranean living, these villas combine contemporary architecture with spacious outdoor areas and excellent natural light throughout the day. Each villa is built according to the latest Technical Building Code (CTE) and follows the highest construction standards, ensuring safety, comfort and energy efficiency. The homes achieve Energy Certification A, guaranteeing excellent thermal insulation, reduced energy consumption and maximum comfort year-round. The villas feature reinforced concrete.
