Villa Chronos – A Sculptural Retreat with Sea and Mountain Views in Monte Olimpo, Jávea Villa Chronos is a striking blend of organic architecture and contemporary luxury, set in the prestigious Monte Olimpo residential area of Jávea. Designed to connect seamlessly with its natural surroundings, this unique home offers panoramic sea and mountain views from one of the most sought-after locations on the Costa Blanca, just minutes from the beach, international schools, and local amenities. Positioned on a 1000 m² plot with a total built area of 450 m², the villa is distributed across two levels and was completed in 2025. Its north-west orientation offers beautiful evening light...(Ask for More Details!)
