236m²

1,110m²

Refurbished Sea View Villa with Pool and Privacy in Altea Beautiful south-facing villa located in Altea, originally built in 1999 and refurbished in 2018, set on a generous 1,100 m² plot with a total built area of 236 m² and offering lovely sea views. Upon entering the property, you are welcomed by a hallway. On the right-hand side, there is a large bedroom with an en-suite bathroom, offering the possibility to be converted into a private studio with its own independent access. On the left, a bright, square-shaped kitchen comes fully equipped, including two large ovens, and provides direct access to the terrace and pool area. Further along, the villa...(Ask for More Details!)
