The Essence of Coastal Luxury
Nestled on a hillside between the Sierra de Mijas and the Mediterranean, this architectural masterpiece blends seamlessly into the landscape. The sloping terrain acts as a natural amphitheatre, shaping a collection of 25 exclusive residences where the topography itself becomes the architecture. ---Key Highlights* Unrivalled Mediterranean Views: Designed to maximize the natural slope, ensuring every home enjoys uninterrupted, panoramic sea views and absolute privacy. * Tactile, Honest Materials: A curated selection of stone, wood, and ceramics deeply connects each residence to the raw beauty of the land. * Holistic Well-being: Features premium amenities including swimming pools, lush gardens, a gym, an outdoor space (swimming pool, gym, spa, sauna, etc.).
