The perfect combination of modern and Mediterranean in close proximity to the island's best beaches. 300m from Els Estanys beach and Es Trenc beach and next to the S'Avall salt flats is this new community complex with units of different types. Available are apartments with large gardens and terraces, penthouses with roof terraces, and duplex apartments with gardens. The wonderful communal areas include a swimming pool, a whirlpool, sun loungers and a park-like garden with small embedded paths. In addition, all houses are extremely bright and have large windows to take advantage of the sunshine and natural light. All houses have a parking space and a storage room.
