483m²

700m²

Spacious Detached Villa with Pool, Basement and Multiple Living Areas in Benidorm Located in Benidorm, this detached property is distributed across three levels main floor, upper floor, and basement offering a solid structure, generous volumes, and multiple possibilities for both residential living and complementary uses. The property features a designated space prepared for a jacuzzi, previously installed, as well as a wine cellar. In the garage area, there is capacity for one vehicle along with a large additional space that can be adapted into a leisure or entertainment zone. The home also benefits from two separate glazed living areas, both with direct access to the pool, creating a seamless connection...(Ask for More Details!)
