Absolute Frontline Mediterranean Estate with Privacy, Scale and Irreplaceable Value in Altea A truly exceptional seafront property located in one of the most exclusive areas of the Costa Blanca. Set on a plot of over 5,000 m² with approximately 750 m² built across three levels, this villa is fully consolidated under coastal regulations, making it a rare and highly protected asset that can no longer be replicated in such a privileged position. The estate boasts more than 100 metres of direct coastline with restricted access, offering unparalleled privacy within a protected natural environment. Its frontline position ensures uninterrupted panoramic views of the Mediterranean, creating a seamless connection between the property...(Ask for More Details!)
