Expansive rustic land spanning 86,522m² in the sought-after Son Baulo area of Santa Margalida, offering significant building potential of up to 900m³ plus the option for a swimming pool. Situated just 3 kilometers from the stunning beaches of Can Picafort, this tranquil and well-connected location boasts a stone-walled perimeter. The main portion of the land features a warehouse, while the smaller section remains open. From the vantage point of the first floor, partial views of the sea are visible on clear days. Notably, both references denote the same plot, with an easement separating the larger and smaller parcels. Do not hesitate to contact our team for more information or to...(Ask for More Details!)
