Frontline Studio with Direct Beach Access in Altea Located on the frontline of Cap Negret, this bright fully renovated studio offers an exceptional opportunity to enjoy the Mediterranean lifestyle in one of Altea's most sought-after coastal areas. The property benefits from direct access to the beach and pleasant open views of the sea and mountains through a large window that fills the interior with natural light throughout the day. With a surface area of 40 m², the property has just completed a full renovation in May 2026 and features a modern, functional design ready to move into. It is situated on the second floor of a well-maintained building with a...(Ask for More Details!)
