Completion Date 2026/ January 2027 Located in the peaceful residential area of Don Mar in La Nuc -a, just minutes from Benidorm and the Mediterranean coastline, this exclusive collection of fourteen contemporary semi-detached villas has been designed to combine timeless Mediterranean architecture with modern comfort, privacy, and sustainable living. Each residence has been carefully integrated into the natural surroundings to maximize natural light, outdoor living, and year-round comfort. Inspired by traditional Mediterranean aesthetics, the project combines warm textures, refined materials, and contemporary design to create a sophisticated yet relaxed lifestyle environment. The villas offer three spacious bedrooms, private plots, individual swimming pools, private terraces, large terraces, landscaped Mediterranean gardens, and an optional 4th bedroom.
