170m²

Completion Date May 2026 Discover an exceptional new residential development of 28 elegant semi-detached and detached villas, perfectly positioned in one of the most privileged areas of the Costa Blanca. Surrounded by nature and offering breathtaking panoramic views over the bays of Albir and Benidorm, this exclusive project combines contemporary design, comfort, and Mediterranean charm. Each villa has been carefully designed to reflect a perfect balance between innovation and tradition, using advanced construction solutions together with high-quality, durable materials that guarantee both style and long-term performance. The homes are built on private plots ranging from 150 m² to 362 m², with spacious interior living areas of up to 135...(Ask for More Details)
