First Mallorca offer a lovely ground floor that was recently refurbished with impeccable quality by the owners. Located in a residential area of the village, the property is in walking distance to shops, markets, bars and restaurants and two beaches are nearby. Completely refurbished in 2023 the apartment has an open plan kitchen with a spacious living room. Two bedrooms share one complete bathroom and air conditioning and underfloor heating are in all the areas. The community is family orientated, with a well kept garden and an inviting swimming pool. We look forward to show this beautiful property and we can send you a video on request.
