602m²

4,365m²

Located in a distinguished address, adjacent to an elite golf and tennis club, this architectural masterpiece is found blending seamlessly into its surroundings. The 850m² of constructed space has been meticulously designed by a renowned interior designer, which combined with its green architecture approach, yields something truly impressive. The 602m² of living space are distributed between three levels in the following way: The ground level features a spacious day area, including the living room, dining room, and kitchen in an open-plan layout. There's also an office that can serve as a fifth bedroom, along with a guest bathroom. The living and kitchen areas seamlessly open to the outdoor dining and lounge...(Ask for More Details!)
