Country House in Ondara

3	2	300m²	12,800m²	N/A

Riverside Country House with Artist Studio & Orange Groves â€" OndaraSet in a peaceful riverside location surrounded by orange groves, this unique country property offers space, privacy and enormous creative potential in one of the most tranquil settings near Dénia. Located on a plot of approximately 11,800 m², with direct access to the Girona River and beautiful open mountain views, the property combines authentic Mediterranean character with versatile living spaces currently used as both a home and artist's studio. The house extends across approximately 300 m², distributed over two floors with interconnected living areas full of charm and personality. A large open-plan showroom space offers incredible potential to become a...(Ask for More Details!)
