We present an impressive plot of land for sale in the exclusive area of Crestatx, with an area of 1088 square metres. This plot offers a privileged location high up in the mountains, offering spectacular panoramic views and surrounded by an unrivalled natural environment. For those interested in a larger investment, there is the possibility to purchase the entire plot of 1969 square metres for a price of 650.000â‚¬, or if preferred, the plots can be purchased separately at a price of 350.000â‚¬ each. Both options provide an excellent opportunity to build your dream home in an idyllic location. In addition, an existing basic project is available, with...(Ask for More Details!)
