This beautiful, idyllic and charming finca is located in the southeast of the island, only a stone's throw away from Calonge and S'Horta. The finca is set in a very private location and surrounded by nature in its purest form. Its elevated position offers spectacular views to the mountains, the sea and panoramic views. It is connected to mains electricity and solar panels, as well as having its own water supply and several water storage tanks. It has 8 bedrooms spread over three different buildings, whose names, Sea, Land and Wind, remind us of our beloved island. A garage and a porch in surface, have a capacity to accommodate up...(Ask for More Details!)
