Completion Date October Set within the prestigious hills of Finestrat on Spain's coveted Costa Blanca, an exclusive boutique development comprising just 18 contemporary residences thoughtfully designed to embrace the essence of Mediterranean living. Elevated above the coastline, these exceptional homes enjoy breathtaking panoramic views of the Mediterranean Sea, the surrounding natural landscape, and the iconic skyline of Benidorm. The development features an elegant collection of two and three-bedroom residences distributed across three architecturally designed buildings. Each home benefits from a privileged south-facing orientation, maximizing natural light throughout the year while creating bright, welcoming interiors that seamlessly connect with the surrounding environment. Expansive private terraces, open-plan living spaces, and
